

HEALTHY RUNNER

running, jogging & walking treadmills

Tunturi T20 Treadmill

With the T20, Homegym UK focused on the features most valued by anyone who starts fitness training with a treadmill.

The strong motor gives smooth torque at all speeds, the low instep T-Flex running area is wide and the handrails are sturdy. Remote controls for speed and elevation as well as the hand-pulse sensors in handrails enhance the training safety.

The easy-to-use console offers versatility to training: you can choose from a number of pre-set, scaleable training programs, constant HRC and even self-made programs!

- Fully shock absorbant T-Flex™ deck structure for the ultimate running experience.
- Heart rate measurement with integrated contact heart rate in handrails for quick feedback. Telemetric heart rate measurement optional extra.
- Easy Access: Remote controls keys for speed and elevation.
- Easy to fold and transport within your home.
- Maximum speed of 10mph with a 2.5HP motor.
- Large running deck for a beginner's treadmill; belt size of 47cm x 142cm (19 x 56 inches).
- Stylish Tunturi silver grey colour.
- Easy to read LED display on the console with track display.
- 2 user programs

Bremshey Ambition Treadmill

Go the distance with this high spec running machine. The Bremshey Treadline Ambition T Folding Treadmill is perfect for those looking for quality and ease of use. Whether walking jogging or running flat-out, the running machine is the best equipment to achieve your results.

Bremshey Trail Treadmill

The Bremshey Trail treadmill has the same excellent deck and folding system as the Bremshey Ambition treadmill but with some added features. There are more programs, a higher top speed of 11 mph and an increase in incline adjustment to 12%. These features allow for a more varied workout, enabling you to stay focused on your fitness goals.

- Max speed 18 km/h – 11.2mph
- Powered incline from 0-12%
- 9 programs including heat rate control
- Large smooth 3HP motor
- Hot key set-up for easy speed and elevation adjustments
- Easy to fold and wheel
- 15 year frame & motor Warranty
- 2 year parts and labour warranty on other components

Trimmer T320 Treadmill

With a generous sized cushioned running deck, the T320 Treadmill provides ample room for longer strides and enhances your comfort & safety.

The T320 treadmill has enough programmes including a heart rate controlled program, to keep all but the most serious athletes entertained and will appeal to those who have enough room for a full size folding treadmill and want to get maximum value for money.
